

Table 1. Kenya Trade Capacity Assistance for 2010 and 2011

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Enforcement of IP Rights in Kenya: An Interagency Approach with Private Sector Coordination	Enforcement of IP Rights in Kenya: An Interagency Approach with Private Sector Coordination	Intellectual Property Rights (IPR)		21,051
		Activity Total		21,051
Feed the Future: Indian Applied Technologies to Africa	USAID India will provide technical assistance under the partnership agreement for food security to assist policy makers, bureaucrats, technical and academic officer from Kenya, Liberia, Malawi to promote trade related aspects of agriculture, help them comply with SPS standards, food safety, improved competitiveness of agribusinesses including use of information technology that will promote trade.	Trade-related Agriculture		225,000
		Sanitary and Phyto-Sanitary Measures (SPS)		112,500
		Enterprise Development		112,500
		Activity Total		450,000
Financial Deepening in Kenya	OPIC provided financing to microenterprises, thereby developing the financial sector.	Financial Sector Development		54,366
		Activity Total		54,366
Geothermal Development Company Capacity Building Project	In FY 2010, the USDA approved a Technical Assistance to the Geothermal Development Company (GDC). The TA will assist GDC with the following: (1) developing an investment model for a 4,000MW geothermal power plant; (2) selecting strategic and financial private investors; (3) creating a financial and economic model for a feed-in-tariff analysis; (4) creating a risk-management plan; and (5) training.	Trade-related Infrastructure	641,000	
		Activity Total	641,000	
Global Labor Union and NGO Strengthening- Kenya	This program will continue its partnership begun in 2008 with the telecommunications department of Union Network International (UNI). The Solidarity Center will support two seasoned trade union mentors to work with union organizing staff from the Communication Workers Union of Kenya (COWU), and to provide day-to-day mentoring on all aspects of industrial relations. Three workshops, two in organizing and one in strategic planning, with 20 participants each will be held.	Trade-related Labor		70,335
		Activity Total		70,335
Irrigation Planning and Support in Kenya	Support to several areas in Kenya for rebuilding irrigation and providing marketing advice.	Trade-related Agriculture		407,735
		Activity Total		407,735
Kenya Competition and Consumer Law and Policy Technical Assistance	The program assists Kenya in building its institutional capacity to apply competition and consumer law and policies, along with other legal and regulatory frameworks, that facilitate the successful operation of a competitive market economy characterized by conditions that encourage entry into markets and undistorted consumer choice among competing offers in the marketplace.	Competition Policy, Business Environment, and Governance		3,344
		Activity Total		3,344
Kenya Consultations on an Interagency Approach to IP Enforcement	USDOC hosted 8 Kenyan officials in DC in August 2011 for Consultations on an Interagency Approach to the Enforcement of IPR. Officials from Ghana, Liberia, Nigeria and Kenya discussed best practices to achieve communication and coordination among government agencies and the private sector. Individual country action plans were drafted to outline the scope and strategy of the interagency groups to improve the protection of IP in the West and East Africa regions.	Intellectual Property Rights (IPR)	20,000	9,900
		Activity Total	20,000	9,900

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Kenya Dairy Sector Competitiveness Program (KDSCP)	KDSCP is a five-year dairy industry initiative targeting three main components: (1) Enhanced Capacity for Milk and Production Input Quality Certification and Market Promotion; (2) Dairy Smallholder Business Organization Development; and (3) Increased Availability of Dairy Business Development Services. This initiative will assist dairy producers, processors and smallholder business organizations achieve the goal of increasing household income from the sale of quality of milk.	Trade-related Agriculture	200,000	200,000
		Activity Total	200,000	200,000
Kenya Dryland Livestock Development Project (KDLDP)	The Kenya Dryland Livestock Development Project (KDLDP) aims to increase incomes of pastoralists in the North Eastern Province by focusing on constraints to livestock trade. The program supports development and strengthening of local and national level livestock trade commissions and provides animal health services that are critical for enhanced livestock trade domestically and internationally.	Trade-related Agriculture	600,000	600,000
		Activity Total	600,000	600,000
Kenya Horticulture Competitiveness Project (KHCP)	The Kenya Horticulture Competitiveness Project (USAID-KHCP) is a five-year initiative supported by the American people through the United States Agency for International Development (USAID). It is creating new opportunities, improving food security and nutrition through smallholder commercialization, new product development, value addition and innovative partnerships with key players in the horticulture industry. The project is funded by Feed the Future resources.	Trade-related Agriculture	1,000,000	1,000,000
		Activity Total	1,000,000	1,000,000
Kenya Maize Development Program (KMDP)	The maize program aims at increasing rural household incomes by increasing productivity of maize in target areas, linking farmers to markets more efficiently, providing sustainable services in marketing, trade, credit, and improving the capacity farmer organizations as businesses. It supports policy reforms to address constraints, promotes opportunities to increase domestic, regional and, to a lesser extent, international trade leading to increased profits for all players in the value chain.	Trade-related Agriculture	200,000	200,000
		Activity Total	200,000	200,000
Pastoral Development and Food Marketing in Kenya	Technical support and monitoring to livestock associations. Funds for improving marketing infrastructure and training activities in marketing and management.	Trade-related Agriculture		441,934
		Activity Total		441,934
Regional IP Protection: An East African Coordination	USDOC organized a regional workshop in Nairobi in May 2011 on best interagency practices on IPR protection and enforcement with Kenya's Anti-Counterfeit Agency, Copyright Board, and Industrial Property Institute. This workshop exposed 100 IP officials from Kenya as well as private sector stakeholders from across the region to best practices in interagency collaboration on IPR enforcement. Government officials from Burundi, Rwanda, Tanzania, Uganda, and East African Community also participated.	Intellectual Property Rights (IPR)	7,500	58,200
		Activity Total	7,500	58,200
Technical Assistance to Sub Sahara Africa	The objective of this assistance program is to assist the competition and consumer protection agencies in Sub Sahara Africa in implementing their antimonopoly and consumer protections laws. This objective directly supports the opening of markets, fostering economic growth and promoting sustainable development-as contained in the economic development component of the United States Strategic Plan for International Affairs.	Competition Policy, Business Environment, and Governance	22,224	
		Activity Total	22,224
