

Table 1. Latin America and Caribbean Trade Capacity Assistance for 2010 and 2011

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
CAFTA+3 Regional Assistance Program	The program assists nations in the region to build institutional capacity to apply competition and consumer law and policy, along with other legal and regulatory frameworks, that facilitate the successful operation of a competitive market economy characterized by conditions that encourage entry into markets and undistorted consumer choice among competing offers in the marketplace.	Competition Policy, Business Environment, and Governance	225,814	
		Activity Total	225,814	
CODEX Outreach Capacity Building Program	The U.S. Codex Office provides USDA with funds to facilitate, manage, and implement regional and/or country specific outreach activities on Codex Alimentarius related matters. Meetings, workshops and seminars are organized on the subjects of food safety guidelines and avoidance of potential barriers to trade. The seminars are attended by medium to high-level policy makers throughout the respective regions of the world.	WTO Accession and Compliance	280,242	150,000
		Activity Total	280,242	150,000
Caribbean Airport Certification Process	In FY 2010 the USTDA approved \$207,000 to fund a technical assistance (TA) for the Executive Secretariat of the Caribbean Aviation Safety and Security Oversight System (CASSOS). The project would assist selected member countries with their airport certification process. The project would have a positive effect on the development and growth of the participating countries.	Trade-related Infrastructure	207,000	
		Activity Total	207,000	
Caribbean Competition and Consumer Law and Policy Technical Assistance	The program assists CARICOM and Caribbean nations to build institution capacity to apply competition and consumer law and policies, along with other legal and regulatory frameworks, that facilitate the successful operation of a competitive market economy characterized by conditions that encourage entry into markets and undistorted consumer choice among competing offers in the marketplace.	Competition Policy, Business Environment, and Governance	84,957	
		Activity Total	84,957	
Colombia and Haiti Port Security Technologies and VTM Information Systems	In FY 2011, USTDA approved a Port Security Technologies and Vessel Traffic management Information Systems (VTMIS) Reverse Trade Mission (RTM) for Colombia and Haiti. Each trip would expose the delegations to the latest U.S. technologies for VTMIS and other port related security solutions to improve port operations.	Trade-related Infrastructure		340,056
		Activity Total		340,056
Consumer Protection in DR-CAFTA Plus 3	Under this USAID grant to the Federal Trade Commission (FTC), the FTC is providing technical assistance to the DR-CAFTA countries (plus 3 - Peru, Colombia, and Panama) on various consumer protection issues.	Competition Policy, Business Environment, and Governance	110,000	
		Activity Total	110,000	
Doing Business Assistance to LAC Countries	This activity supports the World Bank (International Finance Corporation) in assisting LAC countries to improve their business enabling environment (e.g., regulatory and policy reforms). Latin America and Caribbean Description for 2011: This activity supports the World Bank (International Finance Corporation) in assisting LAC countries to improve their business enabling environment (e.g., regulatory and policy reforms).	Other Trade Capacity Building	250,000	410,000
		Activity Total	250,000	410,000
Enhancing Legal-Regulatory Controls in the CARICOM Community	Enhancing Legal-Regulatory Controls in the CARICOM Community	Customs Operations	256,865	
		Activity Total	256,865	
Executive Leadership in Food Safety, Module 2	Second module in a two-year training program sponsored by IICA, the University of Minnesota and FDA to develop leadership skills and provide state-of-the-art food safety information and risk management tools for 35 leaders in food safety from 20 countries in the Americas. 6/12-6/19/2010	Sanitary and Phyto-Sanitary Measures (SPS)	6,700	
		Activity Total	6,700

Table 1. Latin America and Caribbean Trade Capacity Assistance for 2010 and 2011

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Food and Environmental Safety Assessment of Genetically Modified Animals	First International Workshop on the Food and Environmental Safety Assessment of Genetically Modified Animals, 9/2/2011 - 9/10/2011 Topics Covered: Technologies for the production of recombinant-DNA animals and animal clones. Developing applications of recombinant-DNA animals for food and agriculture. Environmental safety assessment of recombinant-DNA animals and animal clones. Food safety assessment of recombinant-DNA animals and animal clones. Other non-safety (socioeconomic, legal, etc.)	Sanitary and Phyto-Sanitary Measures (SPS)		9,400
		Activity Total		9,400
Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in gov't-to-gov't criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime.	Other Trade Capacity Building	526,548	
		Activity Total	526,548	
LAC Intelligent Transportation Systems Initiative RTM	In FY 2011, USTDA approved a Reverse Trade Mission (RTM) that comprised of 3 separate RTMs that showcase U.S. ITS technologies. The RTM's main objective is to help the three most populous countries in Latin America and the Caribbean figure out how to tackle their growing traffic management issues and assist U.S. firms in discovering new potential customers in the ITS sector.	Trade-related Infrastructure		594,790
		Activity Total		594,790
Latin America Competition Forum	The Antitrust Division participated in the Latin America Competition Forum hosted by the International Development Bank (IDB) and the Organization of Economic Cooperation and Development (OECD) in San Jose, Costa Rica.	Competition Policy, Business Environment, and Governance	1,864	
		Activity Total	1,864	
Latin America Copyright Program	Copyright and enforcement program for participants from eight Latin American countries.	Intellectual Property Rights (IPR)	45,380	
		Activity Total	45,380	
Market Information Organization of the Americas	AMS provided direct funding and technical support for MIOA, a network of the institutions that track and report on markets for agricultural products within the Western Hemisphere. The purpose of the organization is to facilitate the consistent and reliable exchange of information, and to work together to build capacity to track, analyze and disseminate market information to support international trade and support development within the 32 member nations.	Trade-related Agriculture		290,000
		Activity Total		290,000
Monitoring and Evaluation	WHA would work closely with the Organization of American States to continue the monitoring and evaluation of environmental cooperation efforts, as well as expand the M&E framework to include the other Pathways to Prosperity Pillars. As many Pathways initiatives are crosscutting, one implementer with an established performance-based framework methodology will be key to high quality monitoring and evaluation efforts.	Other Trade Capacity Building		500,000
		Activity Total		500,000
OAS Cybercrime Workshop-Investigating Large-scale Internet Crimes	From June 23-25, 2010, the OAS REMJA Subcommittee on Cybercrime presented a three-day workshop to increase the participants' understanding of and capability to conduct investigations of large-scale on-line crime. As a result of the training, it is expected that the 38 participants will be more effective in organizing complex investigations and exploiting electronic evidence to deal with large-scale online crime.	Intellectual Property Rights (IPR)	79,744	
		Activity Total	79,744	
OAS/DOJ Workshop on Cybercrime Legislation-Paraguay	The goal of the workshop was to support countries of the Americas in their efforts to strengthen legislation against cybercrime in accordance with international standards, particularly the Budapest Convention on Cybercrime. As a result of the workshop, the 26 workshop participants indicated that they would bring the specific legislative proposals developed in the workshop to the relevant authorities in their countries for consideration.	Intellectual Property Rights (IPR)	80,976	
		Activity Total	80,976

Table 1. Latin America and Caribbean ns Trade Capacity Assistance for 2010 and 2011

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Patent Cooperation Treaty (PCT) Workshops	PCT workshops conducted in Argentina and Uruguay. Program included the benefits for entry into the treaty for stateholders as well as the workload effects for patent practitioners and IP offices. Discussion of the benefits and costs encountered as countries joins the treaty as well as perspectives on the long-term affects of joining the treaty.	Intellectual Property Rights (IPR)	25,000	
		Activity Total	25,000	
Pathways Clearinghouse	TBD implementer will work to support the institutional framework of Pathways to Prosperity by providing an ECPA-like Clearing House, including the website and cataloging relevant project results. The grantee would provide meeting and logistics support for Pathways events.	Other Trade Capacity Building		400,000
		Activity Total		400,000
Poverty Mapping in LAC Countries	This activity is a USAID grant to the World Bank, under which the International Food Policy Research Institute (IFPRI) is developing poverty maps and analytical models for selected LAC countries (Guatemala and Honduras). This work, in support of DR-CAFTA and Feed the Future, will assist countries and donors to identify where agricultural diversification would be more effective than other interventions in reducing poverty. (Note: funding is carryover from two preceding fiscal years.)	Trade-related Agriculture	647,279	
		Activity Total	647,279	
Regional Competitive Conference for Latin America and the Caribbean Region in Mexico	The Antitrust Division participated in the Regional Competitive Conference for Latin America and the Caribbean Region hosted by Mexico's Secretary of Economy and the World Bank in Mexico City.	Competition Policy, Business Environment, and Governance	192	
		Activity Total	192	
Regional Legislative Framework for Implementation of UNSCR 1540	Regional Legislative Framework for Implementation of UNSCR 1540	Customs Operations	142,718	
		Activity Total	142,718	
Small Business Development Centers	The USAID-Managed SBDC project works with HED to create a hemispheric-wide network of SBDC-model programs that shares best practices, empowers start-ups, assists existing businesses in becoming part of the formal economy, growing sales, creating/retaining jobs, obtaining new financing and innovating new technologies.	Enterprise Development		1,000,000
		Activity Total		1,000,000
Technical Assistance: Banking and Financial Services - LACFII	At the regional level LACFII aims at supporting the adoption of regulations that will buttress broader financial inclusion, with particular emphasis on improved delivery of financial services to small and micro entrepreneurs. In the medium term, the objective will be to have financial institutions operate in a regulatory and incentive environment that is fully conducive to the delivery of financial services to that underserved economic group.	Financial Sector Development	555,495	679,995
		Activity Total	555,495	679,995
Technical Assistance: Economic Crimes - LAC ns CAM Training	1. Financial Investigative Techniques training in Honduras; 2. Criminal Investigative Techniques and advanced Auditing Techniques courses on a regional basis in a single forum with participants invited from the relevant investigative units of El Salvador and Guatemala; 3. A Financial Analyst Training (FATC) Course to FIU analysts from Honduras and El Salvador; and, 4. Follow-on training and technical assistance in information flow, report research and writing for Honduras' FIU.	Competition Policy, Business Environment, and Governance	32,517	
		Activity Total	32,517

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Technical Assistance: Economic Crimes - LAC and Western Hemisphere Gaming	Technical assistance in the areas of: drafting gaming laws, regulations, and internal controls and standards; developing gaming industry regulatory policies and assisting with their implementation; integrating law enforcement into the gaming regulatory apparatus; providing regulatory training; assisting in the creation of organizational and structural plans; assisting in the creation of Gaming Boards policies and procedural manuals, gaming forms and tax documents.	Competition Policy, Business Environment, and Governance	31,921	
		Activity Total	31,921	
Technical Assistance: Regional LAC - Banking and Financial Services	Regional advisor to work in countries of Latin America and the Caribbean to support the adoption of regulations that will buttress broader financial inclusion, with particular emphasis on improved delivery of financial services to small and micro entrepreneurs. In the medium term, the objective will be to have financial institutions operate in a regulatory and incentive environment that is fully conducive to the delivery of financial services to that underserved economic group.	Financial Sector Development	270,440	
		Activity Total	270,440	
Technical Assistance: Regional LAC (IFEC) Government Debt Issuance and Management	Develop frameworks to evaluate infrastructure finance proposals in context of government macroeconomic and fiscal situation and infrastructure needs. Oversee enactment of legal and regulatory framework, including a dispute resolution process, to support PPP initiatives. Ensure transparent fiscal reporting and project monitoring.	Financial Sector Development	527,777	
		Activity Total	527,777	
Technical Assistance: Regional Latin America and Caribbean - Economic Crimes	Provide assistance to countries and advisors in region to develop and implement effective anti-money laundering and counter terrorist financing (AML/CFT) regimes and build stronger capacities to deal with a wide range of financial crimes, including money laundering, terrorist financing, as well as organized crime and corruption. Develop, coordinate and oversee TA projects in countries that are central to U.S. strategic interests and priorities.	Competition Policy, Business Environment, and Governance	239,470	230,620
		Activity Total	239,470	230,620
Technical Assistance: Revenue Administration and Policy - LAC Audit Phase II	Audit Phase 2 committed participants to develop an intermediate audit techniques manual with the objective of taking it back to their respective countries and developing it for use as appropriate, to include their respective laws, procedures and specific applications.	Competition Policy, Business Environment, and Governance	59,706	
		Activity Total	59,706	
Trade Facilitation	Peace Corps Volunteers are working at the community level with host country organizations and individuals to build their capacity to participate in global trade by: (1) promoting technology and business skills transfer, (2) providing training in entrepreneurship skills, and (3) developing sustainable production and marketing efforts.	Enterprise Development	560,034	617,947
		Activity Total	560,034	617,947
Tri Border Enforcement Program	Program focusing on intellectual property (IP) border enforcement issues in the tri-border region (Brazil, Paraguay, and Argentina), plus Chile and Peru. The program consisted of a series of roundtable discussions focused on customs issues and IP enforcement.	Intellectual Property Rights (IPR)	68,919	
		Activity Total	68,919	
Workshop in Costa Rica	In January 2010, FDA CVM participated in a workshop entitled "Safety of Residues of Veterinary Drugs in Edible Tissues of Food Animals" was held in San José, Costa Rica. The goal of this workshop was to help assure the availability of safe and effective drugs in the Central American/Caribbean region to assure the animal health and the safety of foods derived from animals and thus enhance trade in those products. Jan. 11-15, 2010	Sanitary and Phyto-Sanitary Measures (SPS)	67,000	
		Activity Total	67,000
