Better Work - Global	The ILO/IFC Better Work Program improves both compliance with labor standards and competitiveness in global supply chains. Better Work supports enterprises in improving their adherence to international core labor standards and national labor law, enabling enterprises to compete in global markets where many buyers demand compliance with labor standards from their suppliers. Lesotho Description for 2011: The Better Work project will strengthen the capacity of workers and employers organizations to engage in social dialogue, demonstrate progress in improving enterprise compliance with labor standards and economic performance, strengthen the knowledge base to develop initiatives in other sectors/areas. The Better Work project aims to create an ethical sourcing location which will attract investment because core labor standards are adhered to.	Trade-related Labor		1,000,000
