Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Integrated Initiatives for Economic Growth in Mali (IICEM)	IICEM (2007 - 2012) focuses on intermediate results within selected value chains: expansion/rehabilitation of irrigated agriculture and intensification of agricultural production in target areas; enhancing access to finance; enhancing access to markets and trade; introducing, transferring and applying improved technologies; increasing control of village associations over natural resources; and fostering an enabling environment.	Trade-related Agriculture	1,750,000	1,730,000
		Trade Promotion	510,000	1,060,000
		Financial Sector Development	1,460,000	1,460,000
		Enterprise Development	550,000	
		Activity Total	4,270,000	4,250,000
Living Standards Measurement Study-Integrated Surveys on Agriculture	The World Bank's Living Standards Measurement Study- Integrated Surveys on Agriculture (LSMS-ISA) project will improve the quality, timeliness, and relevance of household-level agricultural statistics in Mali, with an emphasis on sustainability, capacity building, and improving data collection methods.	Trade Promotion	500,000	
		Activity Total	500,000	
Mali Commercial Law Development Program (CLDP) on Intellectual Property Rights (IPR)	The U.S. Department of Commerce, through the offices of its Commercial Law Development Program (CLDP) is working with the Ministry of Justice, Ministry of Agriculture, Customs and the Malian police to develop and adopt policy guidelines, harmonized techniques, and other instruments with which to strengthen the protection of Intellectual Property rights. Mali Description for 2011: The US Department of Commerce through CLDP is building upon consultations that have taken place in Mali over the last three years to remedy the inadequacy of Intellectual Property Rights protection in Mali. FY 11 activities include a workshop for Malian Customs focusing on "targeting" techniques to prevent the entry of counterfeits in the country; follow up assistance regarding the development and implementation of Geographic Indications; follow up IP training for the legal professional in Mali.	Trade Promotion	300,000	300,000
		Activity Total	300,000	300,000
Mali Investment Climate Reform Phase II	The project provides assistance to the Government of Mali (GOM) in implementing focused regulatory and institutional reforms in order to stimulate domestic and foreign private investment including implementing Doing Business induced reforms and assisting GOM in adopting a new investment law and a regulatory and institutional framework for the development and management of industrial zones. Mali Description for 2011: The program builds on long-standing joint technical assistance to the government of Mali. Specifically, the program proposes three components: promoting investments in agribusiness; implementing the regulatory and institutional framework for industrial zones; and improving the business environment per the Doing Business Indicators. The expiration date of this grant is extended from 10/30/2014 to 10/30/2015.	Trade Promotion	700,000	700,000
		Activity Total	700,000	700,000
Mali – Strengthening Intellectual Property Rights (IPR) Enforcement	In December 2010, CLDP led a field visit to Mopti to visit Mali's most advanced geographic mark, part of an effort to create value through an IP right which can be managed by its producers, providing a tool for economic development. In May 2011, CLDP led a three-day workshop in Bamako on the importance of IP protection, its economic impact and the international standards of protection to be attained, as well as the skills and mechanisms needed to promote greater communication and coordination. Mali Description for 2011: CLDP is working closely with the USAID Mission in Mali together with the Malian Government (GOM) to improve the skills and effectiveness of several key agencies for a better enforcement of IP rights.	Intellectual Property Rights (IPR)		295,000
		Activity Total		295,000
