Copyright in the Digital Environment	Workshop on Copyright Infringement in the Digital Environment	Intellectual Property Rights (IPR)		32,175
		Activity Total		32,175
Economic Policy Reform	The IEP experts worked on the issue of bringing Russian legislation with the WTO requirements. We participated in the development of the new version of the Customs Code, introduction of amendments to the new version due to prolonged period of negotiations and changes in the Russian position towards accession. The experts worked on Special Economic Zones issue developing draft legislation and writing their conclusions and reviews to those proposed by the Ministry of Economic Development.	WTO Accession and Compliance	50,000	
		Activity Total	50,000	
Export Control Academy Training and Assessments	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operations	24,000	
		Activity Total	24,000	
Export Control Workshops for Rosatom Enterprises (4)	Four Export Control Workshops for Rosatom Enterprises	Customs Operations		145,000
		Activity Total		145,000
Export Control and Related Border Security Assistance (EXBS) Program	This activity promotes border security and customs operations and is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. Russia Description for 2011: EXBS goal in Russia is to sustain gains made under the program, foster deeper bilateral engagement on export controls, and encourage Russia to assume greater responsibility for helping its trading partners improve their systems. EXBS works primarily with Russian Customs but maintains on-going relationships with the Ministry of Foreign Affairs and Russia's main export control licensing authority, FSTEK.	Customs Operations	1,000,000	1,000,000
		Activity Total	1,000,000	1,000,000
Financial Deepening in Russia	Expansion of SME Loan Portfolio	Financial Sector Development	823,875	
		Activity Total	823,875	
	OPIC provided financing for the expansion of the Borrowers SME lending portfolio for development of the financial sector.	Financial Sector Development		264,713
		Activity Total		264,713

IPAC, Multi City Russia	The main goal of this program is to promote understanding of and appreciation for intellectual property and thus help to create additional market opportunities for the US businesses in Russia and to reduce theft of IP.	Intellectual Property Rights (IPR)		5,920
		Activity Total		5,920
IPR Criminal Investigation and IPR Border Enforcement Workshop	Enforcement workshops to increase IPR criminal investigation capacity and border enforcement capacity to counter the growing threat of trade in counterfeit goods in Russia.	Intellectual Property Rights (IPR)	19,146	
		Activity Total	19,146	
Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime.	Other Trade Capacity Building	499,648	
		Activity Total	499,648	
Inter-agency Agreement (IAA) to DOE on Nonproliferation	An inter-agency agreement to provide support to the Department of Energy regarding technical assistance activities to improve border security and operations.	Customs Operations		56,590
		Activity Total		56,590
International Exchange Program	International Exchange Program training was conducted in St. Petersburg, Russia. The program focused on Non-Intrusive Inspection (NII). Russia Description for 2011: The Office of International Affairs (INA), International Operations Division (IOD) requested through the Office of Field Operations provided assistance.	Customs Operations		49,778
		Activity Total		49,778
International Visitor Program	International Visitor Program Russia Description for 2011: CBP Orientation / Train-the-Trainer International Visitor Program \$77,010 Train-the-Trainer International Visitor Program for Fed. Customs Service \$75,084 CBP Orientation / International Visitor Program (IVP)-FCS \$68,246.	Customs Operations		220,340
		Activity Total		220,340
Maritime Law Enforcement Officer Courses (Advanced Boarding, Boarding, International, Candidate)	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operations		37,684
		Activity Total		37,684
Promoting Entrepreneurship in Russia	The US Small Business Administration (SBA) has a memorandum of understanding (MOU) with the Government of Russia to assist in promoting small business development and expand trade opportunities.	Enterprise Development	4,000	
		Activity Total	4,000	
RADACAD and Border Security	A comprehensive activity to support everything related to RADACAD: RADACAD, RADACAD WMD Counterproliferation Training, RADACAD Training, RADACAD Training Travel, Regional Interdiction/RADACAD International Border Security	Customs Operations		330,681
		Activity Total		330,681

<b>Special American Business Internship Training</b>	The Special American Business Internship Training (SABIT) Program facilitates economic development through the training of managers and scientists in U.S. business practices, thereby advancing commercial partnerships and encouraging market-based reforms. SABIT programs train business managers and scientist-entrepreneurs in U.S. companies where they are exposed to Western management concepts that provide models for process improvement. Russia Description for 2011: SABIT is providing training in legal, regulatory and institutional issues related to IPR. SABITs IPR programs engage entrepreneurs, business people and government representatives by developing understanding of IPR, as well as exposing them to various government agencies, law enforcement organizations, industry-specific associations, chambers of commerce and private companies that work in the IPR field. The program shows mid- to senior-level professionals how innovation works.	Trade Promotion		<b>250,000</b>
