Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
AbiTrust	A donor-to-donor collaboration with DANIDA focused on increasing production along strategic value chains (maize, beans, and coffee), improving market linkages, expanding financial services supporting the agriculture sector, and supporting trade related sanitary and phyto-sanitary standards and quality management systems. Uganda Description for 2011: A donor to donor collaboration with DANIDA focused on increasing along strategic value chains (maize beans, and coffee), improving market linkages, expanding financial services supporting the agricultural sector and supporting trade related sanitary and phyto-sanitary and quality management systems.	Trade-related Agriculture	800,000	500,000
		Sanitary and Phyto-Sanitary Measures (SPS)		500,000
		Financial Sector Development		500,000
		Activity Total	800,000	1,500,000
AgCLIR	This was a study of commercial, legal and institutional reform in Uganda's agricultural sector.	Trade-related Agriculture	350,000	
		Activity Total	350,000	
Business Climate Legal and Institutional Reform (BizCLIR) Project	The BizCLIR task order provides diagnostic and economic enabling environment technical services aimed at improving countries' economic performance. Areas being covered include Doing Business type indicators, Agribusiness diagnostics, private sector health diagnostics, and women-focused research and reforms. BizCLIR also provides a web-based portal for disseminating the information and best practices analyzed at www.bizclir.com.	Trade-related Agriculture	350,000	
		Activity Total	350,000	
Financial Deepening in Uganda	OPIC provided financing to microenterprises, many of which are located in poor or rural areas that are currently underserved by the traditional banking sector, thereby developing the financial sector.	Financial Sector Development		81,548
		Activity Total		81,548
Financial Deepening in Uganda II	OPIC provided credit to microenterprises, particularly in rural areas, that are currently underserved by the traditional banking sector, thereby developing the financial sector.	Financial Sector Development		108,731
		Activity Total		108,731
GDA Alliance and Partnerships Investment Fund	This Public/Private Partnership fund will be used to leverage private sector resources, ideas, and technologies for replicable, sustainable and scalable sector-wide impact. We will target industry leaders for game-changing, strategic partnerships designed to drive agriculture growth and increase incomes. Uganda Description for 2011: This Public/Private Partnership fund will be used to leverage private sector resources, ideas, and technologies for replicable, sustainable and scalable sector-wide impact. We will target industry leaders for game-changing, strategic partnerships designed to drive agriculture growth and increase incomes.	Trade-related Agriculture	2,000,000	3,800,000
		Activity Total	2,000,000	3,800,000
Livelihoods and Enterprises for Agricultural Development	LEAD increases trade capacity across several agricultural value chains, with a focus on improving producer performance to meet regional and international market requirements. The activity encourages industry dialogue to identify and address policy issues. LEAD contributes to cross-border statistics gathering to capture regional trade flows. LEAD is also supporting the development of trade infrastructure such as warehouse and cold storage facilities.	Trade-related Agriculture	2,450,000	675,000
		Activity Total	2,450,000	675,000

Policy and Enabling Environment	This will support selected policy and enabling environment initiatives such as harmonizing the legal land tenure laws to equalize customary and statutory regimes and allow dispute resolution through clan or district tribunals; developing a comprehensive workforce development strategy for the agriculture sector; creating an agriculture trade policy advisory committee (ATPAC) to harmonize public and private sector champions at MAAIF, MTTI, UNBS, MOLG and commodity groups such as coffee and maize. Uganda Description for 2011: This will support selected policy and enabling environment initiatives such as harmonizing the legal land tenure laws to equalize customary and statutory regimes and allow dispute resolution through clan or district tribunals; developing a comprehensive workforce development strategy for the agriculture sector; creating an agriculture trade policy advisory committee (ATPAC) to harmonize public and private sector champions at MAAIF, MTTI, UNBS, MOLG and commodity group	Other Trade Capacity Building	400,000	300,000
		Activity Total	400,000	300,000
Regional IP Protection: An East African Coordination	USDOC organized a regional workshop in Nairobi in May 2011 on best interagency practices on IPR protection and enforcement with Kenya's Anti-Counterfeit Agency, Copyright Board, and Industrial Property Institute. This workshop exposed 100 IP officials from Kenya as well as private sector stakeholders from across the region to best practices in interagency collaboration on IPR enforcement. Government officials from Burundi, Rwanda, Tanzania, Uganda, and East African Community also participated.	Intellectual Property Rights (IPR)	145,700	6,500
		Activity Total	145,700	6,500
Support for Organic Coffee in Uganda	Technical assistance to nearly 4,000 farmers in the Kasese District of Uganda. The farmers grow high quality, hand-picked organic coffee. U.S. African Development Funds will improve marketing, transportation, facilities and training.	Trade-related Agriculture		206,758
		Activity Total		206,758
Technical Assistance: Uganda - Government Debt Issuance and Management	Focus is on structural market reforms and removal of barriers to financial securities market development. Development and implementation of risk management frameworks to identify and control debt portfolio risk. Assist in implementing a second generation of reforms in the financial securities markets including a new regulatory framework for government securities brokers and dealers.	Financial Sector Development	505,975	331,955
		Activity Total	505,975	331,955
Technical Assistance: Uganda - Revenue Administration and Policy	Build revenue authority's and Ministry of Finance's capacity to undertake tax policy analyses and revenue forecasting.	Competition Policy, Business Environment, and Governance		65,785
		Activity Total		65,785
The Role of the Judiciary in the Protection and Enforcement of IP in East Africa	CLDP led a workshop in Kigali in June 2011 on the judiciary's role in promoting IPR protection in the East African region. The workshop was designed to increase participants' knowledge of trademarks, copyrights and electronic evidence to consistently and efficiently adjudicate IP cases in the region. Resulting recommendations regarded access to legal protection for all; sharing judicial opinions in IP cases in the region; consistently revising IP statutory frameworks and promoting IP awareness.	Intellectual Property Rights (IPR)		5,580
		Activity Total		5,580
Tourism GDA	The Tourism GDA seeks to leverage private sector resources to implement innovative Eco tourism-centered initiatives. It uses Eco tourism as a tool to reduce threats to biodiversity and conserve selected critical ecosystems across Uganda's diverse landscapes so as to support sustained economic growth.	Trade-related Tourism		750,000
		Activity Total		750,000
Uganda Infrastructure Fund	A fund to support trade-related infrastructure.	Trade-related Infrastructure	387,023	
		Activity Total	387,023	
Uganda Value Chain	The Uganda Value Chain project facilitates access to Financial, advisory (Business Development (BDS) and extension) and market services that are crucial components to a regionally competitive value chain. It prioritizes interventions that increase smallholders' access to competitive markets (domestic, regional and international) by addressing critical constraints to increasing and sustaining the supply of quality agricultural products.	Trade-related Agriculture	3,000,000	1,500,000
		Activity Total	3,000,000	1,500,000
