CLDP Ukraine Office and WTO web site	The goal of CLDP's program in Ukraine is the adoption of a myriad of laws regulations, and practices adopted under the platform of the WTO and, ultimately, WTO membership. WTO reforms to date have been widespread in each country, with CLDP programs serving as a catalyst for change through a variety of activities that encourage the adoption of international norms, strengthen government institutions, to ultimately provide for increased transparency and effective implementation of WTO standards.	Trade Promotion	240,000	240,000
		Activity Total	240,000	240,000
Cochran Fellowship Program	The Cochran Fellowship Program provides training for agriculturalists from middle-income, emerging market, and emerging democracy countries throughout the world. The training takes place in the US and targets senior and mid-level specialists and administrators from the public and private sectors, who are concerned with agricultural trade, agribusiness development, management, policy and marketing. Since 1984, the program has provided over 14,000 fellowships to participants from 123 countries.	Trade-related Agriculture	204,000	200,000
		Activity Total	204,000	200,000
Commercial Law Development Program (CLDP)	CLDP creates a better business environment, new & diversified trade & investment opportunities, & improves the commercial legal framework. CLDP promotes trade & investment opportunities for SMEs, technology transfer & licensing, & strengthens protection & enforcement of IPR. CLDP's programs build sustainable institutional capacity by partnering with key institutions & government agencies tasked with furthering commercial law & trade policy. CLDP ensures compliance with international standards. Ukraine Description for 2011: Support Ukraine's accession to the WTO through economic reform and integration with Europe, including implementation of WTO agreements and improved IPR enforcement. Legislative and procedural reforms facilitate WTO compliance, increased trade and investment, and econ growth. Focus on capacity-building through technical assistance and training in IPR issues, including seminars for U.S. and Ukrainian officials on best practices for implementing IPR laws and ruling on	WTO Accession and Compliance		820,000
